

# Welcome to Hamburg

Help your pen pals learn about your city. In a digital map, tell them more about Hamburg's must-sees and share your favourite places.

## 1 Choose your sights

1. Make a list of the sights and places you want to write about:
  - a. What sights should your pen pals visit? What should they do in Hamburg?
  - b. Do you have any favourite places (parks, restaurants, museums, ...)?
2. Homework: Take pictures of your places. You can add them to your map later.

Don't take pictures of people!

## 2 Create your map

3. Use [Google My Maps](#) to create your own map.
4. Tell your pen pals as much as possible about the places you have chosen:
  - ✓ Tell them what you can do or see there.
  - ✓ Give reasons why you like the place.
  - ✓ Use adjectives to make your texts more interesting.
  - ✓ If possible, add some fun facts.

**Example:** *The "Stadtspark" is one of Hamburg's prettiest parks. It is a great place on a warm summer day. You can have a picnic and relax or play football. There are also playgrounds and a lake where you can rent a paddle boat and explore Hamburg by boat. My favourite place in the "Stadtspark" is the planetarium because there are always special shows for kids and...*
